Slender Grama – Dilley Germplasm  
Spike Lovegrass – Ramadero Germplasm  
Texas Grama – Atascosca Germplasm  
Whiplash Pappusgrass – Webb Germplasm

## **Helpful Tips:**

Purchase named varieties only!

*Do not* accept substitutes not listed above.

*Do not* buy “Variety Not Specified” (VNS) or “wild harvest” seed types!

A more helpful native seed search engine is the Native Seed Network  
([www.nativeseednetwork.org](http://www.nativeseednetwork.org))

The following seed companies grow what is listed above.

Douglass King Seed Co. (1-888-DKSEEDS) and Bamert Seed Co. (1-800-262-9892)

*Call and ask for current availability and pricing.*
