Canterburg tips

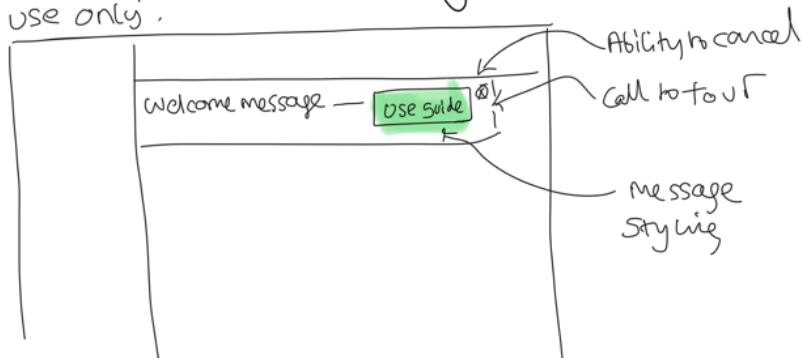

↳ setting in

Many things you learn as go.

Stages of tour

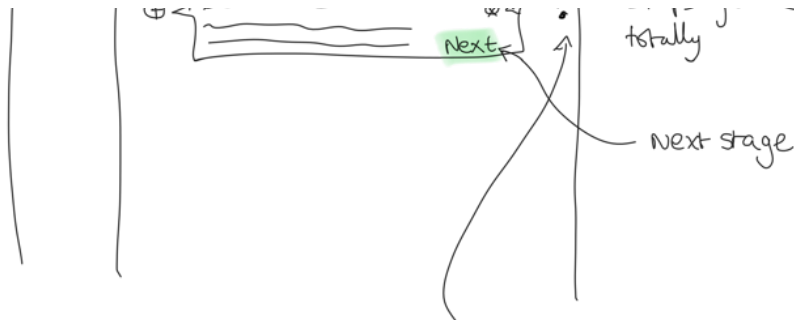

① Load up Canterbury editing experience first use only.

Why didn't we show? user choose and we also get a welcome message this way.

② click to get tour

* If cancel guide is available under 'Tour'
 It vanishes after first month of using but
 maybe resettable in code?

Stages of Gutenberg tips

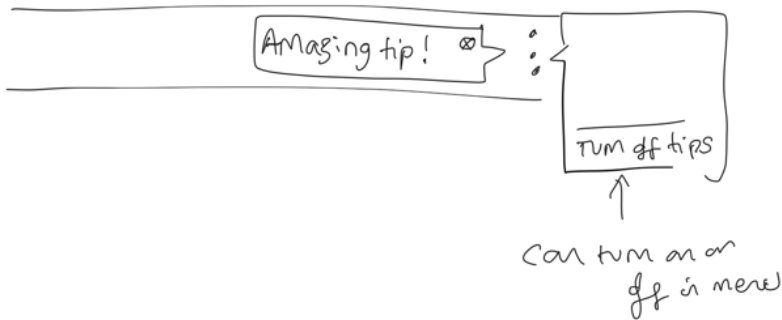

Condition of tips.

- Either dismissed tour AND 24 hours has passed.
- OR - Has gone through tour AND 24 hours has passed.

(Potentially more)

① Tips appear on specific items. They are meant to make you better each time use Gutenberg

[Note: Should tips be made as a plugin first? It could be an example of extending. I would like it in core but appreciate time]

Tips behavior

- Only appear once No dupe
- Disappear after a certain time
- Once dismiss go and Do NOT show for another 24 hours.
- ? Dismisses AND SHOW link to turn

- 2003 ...
off tips.
