1. Lord, You are my for - tress in my time of dis - tress.
Like the streams of wa - ter flow - ing in the sum - mer.
2. When I'm full of sor - row, chas - ing dreams like sha - dows.
When my hands are trem - bling, when my tears are fall - ing.
3. You so loved us that day when You died in our place.
This bread is our true food, this cup is His true blood.

You a - lone bring com - fort in my time of rest.
You de - liv - er me from all anx - i - e ... - ty.
When all hope seems faint and I lay here in pain.
Come and make my heart re - jice in You, my ... God.
Through your cross You paid for eve - ry sin with grace.
In this Sa - cri - fice con - ceals e - ter - nal ... life.

Refrain: Je - sus! O, my Lord. My soul waits for You.

Come and fill my heart with joy, I long to be with You.
