

Behind The Dune: A Walkthrough

Here is a walkthrough to see everything. Pick Duncan Idaho in the communications room. The people who follows you (click on the lower left faces) always give clues to continue the story or have new erotic scenes.

Meet Lady Jessica and say:

"What does this Reverend Mother expect from me?"

"The Reverend Mother is so hot!"

"It's okay, I will handle it."

JESSICA TOPLESS

"Can I play with them?" gives:

JESSICA'S BOOJOB

Ask Lady Jessica to follow you and meet the Reverend Mother in the library. She will test you. Give at least two good answers.

"Your presence honors our family Reverend Mother."

"Do you know what makes a man, young Atrides?"

"Being prepared to do the right thing..." or *"A pair of testicles."*

"You have been trapped by an enemy of your kind..."

"Fake that I'm dead..." or *"Kill myself so I won't be tortured..."*

In the box, answer quickly, *"Stop, I'm not an animal."*

REVEREND MOTHER HANDJOB

Take an ornithopter, Go to the village. Say to the smuggler:

"I need to find workers to hire." Then on your map, you will have a new place to go to, a sietch. The Fremen there, Sabibah, will work for you. Then if you click about four times on the red button of her stillsuit, you will have the opportunity: *"Recycling 'water'... You drink your urine?"* then

SABIBAH (Fremen with a scar) PEE SCENE

Visit the new sietches on your map to find a Fremen. She will show sietches. Visit them until you meet the Fremen with very short hair, Anbarin. This means you have visited Dune enough. Lady Jessica can teach you the Voice (at level 1). You can use it on every Fremen after a:

"Let's not talk about spice."

SABIBAH (Fremen with scar) BLOWJOB

KHAIRA (Tattooed Fremen) BLOWJOB

ANBARIN (Short hair) BLOWJOB

These scenes are long, so don't forget to go to communications room and use the machine to send spice the the emperor.

After you have visited several sietches and sent your first shipment of spice, Stilgar will be waiting for you in front of the palace. Make him meet Duke Leto, so he trusts you. You now have two new sietches, and their door to the water reserve is opened. You can find Zakiya there. The palace will be attacked by Harkonnens very soon (five days maximum).

ZAKIYA (Dreadlocks Fremen) BLOWJOB

Side missions: The spice (do whenever you want)

Go to the village to buy a harvester from the smuggler. Give it to a Fremen that lives in an area with 3% chance of sandworms. That will produce enough spice without problems from the sandworms. Eventually, send the Fremen without harvesters on an area with a high chance of sandworms. There is more spice there. Skip ahead a few days to have more spice.

When you go to the smuggler you can pay for:

WATCH AND PLAY WITH THE SMUGGLER'S BOOBS

WATCH THE SMUGGLER PUSSY (click it to open it more)

HAVE SEX WITH THE SMUGGLER

Go to the palace. You are caught by the Harkonnen captain. Say: *"I don't want to die a virgin."* then *"Can I taste your pussy before?"* then *"[Get undressed]"*

DEEP BLOWJOB BY THE CAPTAIN

Use her grenades to escape and go to Sietch Ergsun.

You will meet Chani. Talk to her until you can say, *"Be mine forever, sexy lady."*

Answers to her questions are:

"Stillsuit"

"House Harkonnen"

"Blood saturated with spice"

"Shai-Hulud"

"Shaitan"

If you answer well or get everything wrong, you now can:

WATCH CHANI NAKED

HAVE SEX WITH CHANI

If you fail, the scenario continues anyway.

Talk to Lady Jessica to get the Voice level 2 (if you did not have the level 1, no problem). You can now meet the Fremen and get:

ANBARIN'S ARMPIT JOB

ZAKIYA ANAL SCENE

KHAIRA'S HANDJOB (If her father, Stilgar, is not with you!)

Your mother now wants to swim:

LADY JESSICA GETS NAKED

If you have used the Voice on about three Fremen, you start to be an expert. Stilgar hears about it and starts to have doubts about you. But you can now try the Voice on Lady Jessica. After two or three unsuccessful attempts, you have:

LADY'S JESSICA BLOWJOB

SEX WITH LADY JESSICA

Paul has a vision of the future 2 days after meeting Chani. Talk about it with Lady Jessica. Then, follow Stilgar to the village. Talk to the Spacing Guild navigator until you can ask for “*special equipments*” to defeat the Harkonnens. Buy a ghola from the smuggler. Ghola Duncan is better. Ghola Leto prevents the Harkonnen ending and sex with his concubine.

When you have the ghola (after 10 days...that you can skip), go see Lady Jessica. He will recover his original memory after the

ANAL WITH LADY JESSICA

What if you have killed Stilgar?
 Replace him with his ghola (if you did not buy one already).
 To have the atomics, buy them from the smuggler.
 You have to know you will miss Jessica’s anal scene.

Now, follow the ghola to the new sietch to find the atomics. Meet Stilgar to start the final assault. Do what he says and go tell his daughter. Then, you can finally use an ornithopter to go to the palace for the final battle. You will talk to Princess Irulan in the communications room. Say:
 “*My eyes have changed, and the way I see things too.*” to have access to:

 IBAD SPERM ON IRULAN

or with Leto, BACK TO NORMAL (Leto, Jessica, and Paul back to Caladan. No sex)

“*You both killed my father, bitches.*”

“*Yes, exactly what my mother said.*”

THE BOOK END (Irulan and Chani on Paul)

or with Leto, EMPEROR LETO RULES (Irulan and Lady Jessica on Leto)
