

One in a Million
Pastor Mark Wilks, 1 Peter 2:11-25

Review: Who are you?

- Chosen! It wasn't pure coincidence.
- Royal priesthood - serves the God KING and has the right of access to him.
- You are a holy nation.
- God's special property - significant and precious possession.
- Privileged with a duty to praise God.

- Let your status with God change what you post.
- Now that I have been to the throne I will be different.
- Aliens & strangers = This place is not your home.

- Live in a holy way.
- Peter calls for self-control that is inward and private.
- In other words a Godly life starts on the inside!
- Our actions will silence our critics and point people to God.

- Live in a humble way.
 - Submission and humility were not traits respected by the Romans.
 - The respect we show people is directly related to how we respect God.
 - The only way to submit to an evil person is to remember Jesus example.

Application:

- We will strive to be that “One Christian” that gives someone a reason to ask, “why are you different?”.
