

Cardinal Pet Care Donates To Holiday Food & Toy Drive

AZUSA, CA - For Immediate Release - Devoted to pets, people and planet, Cardinal Pet Care and its employees are spreading their giving spirit to local families in need this holiday season. The California-based pet product manufacturer recently participated in the Azusa Holiday Food & Toy Drive, an initiative that collects non-perishable food and unwrapped toys, and distributes them to local food banks and families and kids in need.

The annual event is hosted by the Azusa Chamber of Commerce with the help of the Board of Directors including Cardinal Pet Care's chief financial officer Cheryl Kohorst (Past Chair of the Board). Cardinal employees filled boxes at the company's headquarters with donated food and toys, which, along with boxes from other local businesses, were dropped off at a collection breakfast held by the Chamber. The drive collected a large enough quantity of food and toys to help thousands of needy kids in the community.

A 70-year-old family-operated business, Cardinal Pet Care is strongly committed to giving back for the decades of success it has enjoyed, said the company's president Tony de Vos. "Many people are familiar with the work Cardinal does to benefit animal charities, but during this time of year especially, we want to make sure not to forget our human friends here in our own community," de Vos commented. "The food and toy donations provided by Cardinal and other local businesses will brighten the holidays of families and children who otherwise might not have much to celebrate."

The event was the 13th Annual Holiday Food & Toy Drive hosted by the Azusa Chamber of Commerce. Local dignitaries in attendance included Azusa Mayor Joe Rocha and Board of Education member Yolanda R. Pena.

Cardinal Pet Care is a solar-powered company "Devoted to Pets, People and Planet." In addition to providing pets with the highest quality products, Cardinal is dedicated to the environmental directive of Reduce, Reuse, Recycle and Pre-cycle whenever possible. Demonstrating its commitment to the environment, Cardinal has solar-powered corporate offices, warehouses and manufacturing facilities in Azusa, CA. CardinalPet.com
