

Four Elements Trainer Walkthrough

Book 4 - Love Route

Quick foreword, I'm not great at writing these and I know this won't be optimized perfectly, but I'm gonna do my best to help everyone eventually get through this chapter with all scenes completed! If you have any suggestions at all let me know by messaging me on reddit, u/triharderr. Also let me know if you want me to do other Books/Routes!

The Compound

If there is a choice or event that isn't mentioned in the walkthrough that means it's a choice that doesn't affect anything and you can choose any option.

Bathtub Convos

-The first real thing you do is play a minigame that comes up often. Basically copy whatever lights up in the order it lights up!

-Smile as broadly as you can

-Trying not to drown -> Sincere -> Shrug (None of these REALLY matter)
