

The Guide for Episode 2

Episode 2 begins when Monica suddenly loses all wealth and power. She has no money and no papers. Moreover, for any violation of the law, she will be taken to the police, where Marcus is waiting for her to be sent to the Ranch 218. Monica had no place to sleep until she met the former driver Fred, who arranged for her to work as a governess in her former home... for free.

The story begins the day after Monica went to bed in Episode 1.

Bardie storyline

Clean the house every day and interact with Bardie every time until Bardie's level reaches 2.

Further Bardie's progress will grow after completing the charity evening. Continue to clean the house and interact with Bardie until Bardie comes to Monica's bedroom.

Sleep and go to the police station to meet Bardie.

After the next cleaning, Bardie will talk to Monica again in the Monica's bedroom.

Continue interact with Bardie during cleanings until Bardie's level up.

After the next cleaning, Bardie will make Monica wear Betty's panties.

Bardie wants Monica to wear those panties that Betty wore the last day.

Monica can see what kind of panties Betty wears when she comes to her former bedroom in the evening.

Betty is storing her panties in the laundry room, in the lower right drawer.

Monica must fulfill Bardie's order until his level rises.

v 0.4

After Bardie visits to fitness (Betty storyline), he will get an ability to check panties on Betty.

Now Bardie can check Betty and Monica.

Bardie can check Monica if she is not wearing no-panties governess uniform. She can be punished by Bardie if she wears panties for two times.

v 0.6

After reaching of 5th level by Bardie and 5th by Betty, Monica can visit Bardie in the evening. She wants Bardie to ask Betty to feed her in the kitchen.

After a conversation with Bardie if Monica agrees to all his conditions she will get an opportunity to visit Bardie again.

After several evening conversations with Bardie, Monica will get an ability to eat on the kitchen in the morning, but only with a special condition 😊

Betty can stop feeding Monica. In that case, Monica can complain Bardie and Betty will get a punishment.

v 0.8

To begin the quest, Monica needs to come to the bedroom in the basement in the evening.

Bardie was having trouble at college. He makes Betty solve them, for which she needs to go to college and talk with Bardie's teacher. (more details in Betty storyline)

If Betty refuses to resolve the Bardie problem on her first visit to the teacher, she will be punished by Bardie. You can return to this quest when Bardie punishes Betty for the fact that she refused to feed Monica in the kitchen once again.

After Betty settles Bardie's problem in college, Bardie calls her to the Bardie's room. The scene in Bardie's room.

The next day, after Bardie takes the photo, a classmate comes to visit him. Bardie introduces him to Monica and shows him how Monica obeys his orders.

Later, Bardie's classmate had problems at college. He makes Monica go to college and pretend to be a classmate's mother to talk to the teacher. To do this, Monica first needs to go to a clothing store and buy a housewife outfit. Then Monica can go to college.

If Monica refused to agree with the teacher on the first day of college, then Bardie punishes her.

To complete the scene when Monica returns to college, the requirements for corruption are lower.

After Monica's first visit to the college, Bardie calls her and Betty back to his room to check how well they are listening to the master. The scene in Bardie's room.

v 0.9

Bardie continues to demand from Monica pretend to be Eric's mother and go to college to resolve his problems.

If Monica leaves college without agreeing with a teacher, Bardie will punish her and force her to go back to college.

Monica must go to Bardie in his room after visiting the college and report him about progress with the problem-solving. Bardie is in his room by evening

After Monica has solved Eric's problem, Bardie calls her to his room a few days later. He tells Monica that Eric has the same problem again. So Monica must go to college teacher again.

This time, the problem is much more difficult to solve. On this visit to the teacher, Monica may refuse to comply with Mr. Edward's request and hit him (skip the scene with the teacher) or agree.

Bardie will again visit Monica in her bedroom in the basement and check how she follows the rules of the house. After that, he will give Monica a new order (starting of the revenge quest).

v 10

On the day after a lesbian scene with Monica and Betty, Monica needs to visit the laundry room in the evening, and then exit it (a scene with Bardie, Betty and Eric).

Betty storyline

Clean the house every day.

If Monica does the cleaning three days in a row, the relationship with Betty will grow.

One day, Betty will pay Monica's attention to the spot on the carpet. If Monica agrees to rub the spot right now, she will be late to Dick, and Victoria will punish her.

Continue until Betty level reaches 3. (after the charity evening event)

Betty will offer to carry her bag with clothes for fitness.

Monica can go to the fitness with Betty (increasing relationships with Betty), chat with her friends and look while they do training (increasing corruption).

Fitness is on Tuesdays and Thursdays. If Monica refuses to go, then she can leave the house in the governess uniform or eat in the kitchen while Betty is not here.

From this stage, there is no penalty if Monica skips daily cleaning.

v 0.3

After visiting fitness with Betty for three times, Fred will come to Monica while she is waiting in the locker room. How tough Monica will answer depend on her decency.

On the next morning, there will be a scene with Fred and Betty in the bedroom. It depends on Betty behavior with Fred in the past.

From this point on, Monica will talk with Fred differently, but Fred will also change his behavior (while cleaning the spot)

v 0.4

Visit fitness regularly and one day Betty will tell Monica about Saturday guests. She will also remind her about it on Friday. To catch these small events just go around the house.

Mysterious guest is Steve. See more details about Steve storyline below.

The next day (Sunday) Monica will have a conversation with Bardie. Bardie will ask her help. He needs to know Betty's "true personality". Monica can agree (if she will not agree she could change her mind, she will need to

talk with Bardie in his room).

If Monica will agree to help Bardie, she will get an ability to warn Bardie before going to fitness with Betty. She will have to warn Bardie 4 times: 4 different scenes with Bardie+Betty on fitness. After each fitness scene, Monica will have to talk with Bardie about the things he saw.

After 4 Bardie visits to fitness, Betty calls Monica and tells her that she knows about the panties and Monica can ask her to show what she wears today. She can ask Betty about panties near mirrors and in the bedroom. Also, Monica can look at how Bardie checking it too. Also, after that, Monica becomes shaved.

When Bardie and Betty became level 5, the next morning, Betty catches Monica again (day, maid clothes) and says that she shouldn't now wear panties in the house.

After reaching Betty level 6, new arts of checking Betty are opened.

v 0.8

Bardie tells Betty that she needs to settle his problems in college.

When you start the college quest, you play as Betty.

She goes to college the first two days in a row, the third visit to college will be one day after the second. The day Betty needs to go to college, Betty's control starts automatically in the morning. After returning Betty home and talking with Bardie, control automatically switches to Monica again.

If Betty refuses to resolve the Bardie's problem on her first visit to the teacher, then the next time Bardie punishes her for refusing to feed Monica, and he will remind about this. Then Betty can go to college again or remain silent and refuse to continue the quest.

After finishing the college quest, Bardie calls Betty to his room. After he forces Betty to call Monica into the room, he says that he wants to take their photo.

Later, after attending Monica's college, Bardie calls Betty again to his room to check how well she and Monica obey the master.

Steve storyline

After Melanie's disappearance, Steve will visit Betty and Ralph on Saturday and the day before Betty will tell Monica about his visit. On that day you can get all the scenes during going around the house. After the Steve+Betty scene, you need to go to sleep.

Steve can visit the house again. To start this new event you need to talk with Ralph and Steve will visit the house again on Saturday.

After 2nd Steve's arrival, you need to go to the first floor, then to the living room, then go to the kitchen. Then look around on the first floor and somewhere else. Perform orders. After making some orders you will need to rest.

In the evening you will get a scene with Steve near the pool. Steve will tell lies to Monica about the certificate...

Recommend to start 2nd Steve's visit (conversation with Ralph) when Monica is not wearing panties and Bardie and Betty are 5th level or higher 😊

v 0.5

Monica wants to be sure if Steve makes a money transfer to Victoria.

First of all, go to Victoria and talk to her about it.

Steve didn't transfer the money and Monica wants to kick Steve's ass... But she needs a proper dress to visit Steve.

She can get the dress in the Clothing Store (see Clothing Store storyline).

After getting the dress she will be able to visit Steve's office.

Monica will have to visit the office for several days when she will finally see Steve.

Steve's behavior can be different. It depends on the Deal in Betty's house. Then Monica will have an option to "make deals" with Steve. It is another way of earning money for Victoria.

Make deal action is available once a week and there are 6 different scenes in total.

v 0.6

Seventh contract with Steve: Betty will visit Steve during closing the contract.

First contract with Jane. After closing this contract Monica will get a dinner certificate in the restaurant in the Hotel Le Grand.

Monica can visit the restaurant in the hotel without the certificate. If she was kind to the waitress, she will get a 50% discount.

Clothing Store storyline

Monica needs a dress.

She can just buy it and even get a discount if she was polite to the seller earlier.

She can try to steal it. If she will not succeed, Vivian (the shop seller) suggests her to work as a mannequin. Monica will need to sell a dress she returned in Ep 1. As a reward, Vivian will give Monica the dress she wanted to steal.

If Monica agrees to work as a mannequin she will need to visit the shop for several days. The workday starts in the morning. To start the day Monica needs to talk with Vivian. 10 different customers may visit the shop and 3 different scenes available for each one. And only one of them will buy a dress.

v 0.8

After Monica finds out that she needs to pretend to be the mother of Bardie's classmate, she needs to buy a housewife outfit. Monica goes to a clothing store. She can buy this outfit for the full price or buy it at a great discount. A big discount on the outfit is available if Monica worked as a mannequin.

To do this, she will have to do what the saleswoman asks her.

Office storyline

Visit Monica's office in the evening. Meet Biff. (Before Monica came to Biff for the first time, progress will not go, and Monica can live in the city as much as she wants. For increasing corruption points, for example)

Talk with Biff.

Return and talk with Biff again in another day.

After starting the quest to earn \$ 5000 to Dick until Friday, there is only one way to earn: making the photoshoot offered by Biff.

Monica can find Biff in the office at the last moment on Friday evening.

After the photoshoot, Monica will go to the charity event.

Say a speech on stage and talk to Biff.

Monica can offend hotel staff guy. It'll affect the scene in the restroom.

Meet Philip.

Talk again with Biff and make the decision what to do next.

Agree with Philip or persuade Biff.

After the charity event go to Dick and return home.

v0.2

Biff will be absent until there is progress with Dick and Victoria.

After meeting with Biff, Monica can take photoshoots in different outfits.

The more angles of photoshoots are open, the higher the progress with Alex who takes the shoots.

If Monica forced models to undress during casting (Episode 1), Biff would also like to participate Monica in this. If Monica has enough corruption and wishes to boost relationships with Biff, she can go to the castings after the photoshoots.

Also, if Monica promised Biff to be a good chick, then she would have to keep her promise. Otherwise, she would not see the money.

Keep making photoshoots and make money until Biff's level rises.

After some time, Monica will find out that her secretary began to behave differently.

v 0.3

There were new opportunities during the casting at Biff after photoshoots. Photo session must be fully completed (all shots are completed)

After Monica decides to ask Melanie for help (Dick and Victoria storyline), Monica finds Melanie in a photo studio in the afternoon. Next, it needs to open all the photoshoots until the photoshoot of Monica with Melanie.

After the photo session of Monica with Melanie go to the makeup room (the entrance appears in the photo studio).

Talk to Melanie.

The next day, Melanie will go to Dick.

Come back to Melanie and talk again. (Melanie is in the makeup room by day!)

If Monica has a good relationship with Melanie and is decent, then Melanie will agree to help Monica for nothing. In another case, Monica will have to pass the casting with Melanie.

After casting, talk to Melanie in the makeup room.

Melanie agrees to help Monica with Marcus.

After that, Melanie will mysteriously disappear (she will appear in the next versions again).

v0.4

Before Steve comes to visit Betty and Ralph a second time, Biff says there is no work next week.

v0.6

After Melanie disappearance 2 new photoshoots will be available.

In a week after finishing the photoshoots Monica can ask Biff about another work and he will suggest her to work in the office. (Monica must come in "nice dress")

He will also tell Monica that Melanie is back. In this update, you can only talk to her.

If Monica didn't ask models to get nude during casting (EP1) and Biff castings were not available, they will be available after start working in the office.

Monica visits the office. It's empty in the evening and she backs the next morning.

She has a conversation with employees and meets Julia.

Office employees visit Monica every day and ask her different things.

Monica can treat Julia bad or she can be good with her.

Monia must work 1 time a week minimum, otherwise, Biff stops giving Monica photoshoots.

To finish the last photoshoot Alex level must be 2.

v0.7

Biff will ask Monica to collect reports of all the employees. She will get a flashcard. Monica can ask Julia to do it, or she can do it by herself. After collecting the reports, Monica has to give the reports to her secretary and talk to Biff.

If Monica doesn't collect the reports by herself, Biff will be upset (consequences will happen in one of the next versions).

If Monica won't work well and treat Julia bad, Fred will visit the office. It will start Julia's storyline (5 small events).

A new photoshoot. At the first time, Monica will reject the photoshoot, but Melanie will convince her to do it: Talk to Melanie several times. Then, Melanie invites Monica to her apartment.

The next day Monica should visit Melanie.

After that, Melanie will receive a call from Victoria. Melanie can visit her in Dick's office (the scene is available for everybody, but extra content exists).

After visiting Melanie, Monica can go to Marcus. (optional)

v 0.8

Fred catches Monica again in the dressing room and gives her a new assignment regarding Julia.

Monica should find out the color of Julia's panties, but this turned out to be a difficult task. Monica makes several attempts, all 4.

With each attempt, new scenes are opened.

v 0.9

Playing for Melanie. To start this quest, the following conditions must be met:

Melanie was visiting Victoria earlier and agreed to become her girlfriend;
Monica has already begun a photoshoot in a black swan costume at the request of Melanie.
The quest begins from the moment when Monica comes to the office to work and remains to work until the evening (click on the table).

On this day, Melanie comes to her and says that in the evening Monica needs to come to her home. At the end of the working day, Monica should change clothes at home to whore outfit and go to Melanie or refuse to visit her and go to bed (skip the quest with Melanie).

After Monica came to Melanie and came "their good friend" the inscription "Earlier this day ..." is displayed and the game for Melanie begins. She sits in the makeup room and a secretary comes to her and says that Victoria called. Melanie can refuse to visit Victoria at Dick's office (skip the quest with Melanie).

If Melanie agrees to go to Dick's office, then you play as Melanie.

Melanie needs to go to Dick's Office and talk to Victoria.

After that, she will go back to the office, where she will need to talk with Monica (Monica's Working Office).

After talking with Monica, Melanie will go and talk with Biff. Biff will tell her that she needs to do a photo shoot. There is an opportunity to refuse (skip a photo shoot with Alex).

If Melanie agrees, then she needs to go to a photo studio and after talking with Alex, start a photo shoot.

After the photo shoot, Melanie needs to go to her home.

To start the scene in Melanie's apartment, you need to touch the chair, which stands near the table.

v 10

After unlocking the Black swan outfit photoshoot, ask Biff about work on your next visit.

Biff will make Monica try on his secretary's clothes and will tell Monica to come back tomorrow.

On the next day, Biff will tell Monica to participate in a presentation.

The day after that, Monica will come to Biff and hold a presentation.

After the presentation, if your progress with Biff is 2 or more, new interactions will unlock after photoshoots and after collecting the reports' data to a USB stick.

v 11

If Monica visits Biff, after a week has passed after the investor presentation and asks about work, Biff will tell her they're going to a party, organized by one of the investors, tomorrow. In order for the quest to begin, you must completely open the photoshoot in the costume of a black swan, that is, complete it by making 24/24 frames. The next evening, Monica comes to Biff's office and he sends her to change clothes. Monica goes to the photo studio, talks to Alex, changes, and returns to Biff's office.

Public event

Monica needs to chat with nine guests at the event. First, Monica has to talk with six guests and then give an

Interview to the reporters. After the interview, she needs to talk to Stephanie and Rebecca. Then walk to the guest Rebecca mentioned, talk to him and come back to the girls. After talking to them, Monica needs to find a fashion designer in the crowd and go talk to him. After chatting with him and Biff, Monica will need to talk with the investor and Biff.

Photoshoot

Monica visits Biff's office again the next day. She meets with the investor there. After talking to Biff, Monica goes to the studio to change. Then she returns to Biff. Monica can refuse to participate in the shoot, but Biff will fire her and throw her out to the street in that scenario. You can get Monica this job back if you return to Biff and agree to participate in the shoot (320 corruption needed). After Monica agrees to participate in the photoshoot, she returns to the studio and works in the presence of the investor.

Relationship with Julia

Monica didn't figure out what Fred had asked of her. (color of Julia's panties)

To start the quest, you need to click on the menu item in the relationship with Julia, which didn't work in the previous version (ask Julia to turn on a broken computer).

After another attempt by Monica to find out the color of Julia's panties, Fred catches Monica in the dressing room again and asks how his request is progressing.

After talking to Fred, Monica makes another attempt to complete this task (choose the next menu item in a relationship with Julia).

After that, she comes up with a plan to execute it by her employees and holds a meeting with John and Greta :)

Several scenes day by day.

v 10

Following the scene where Greta and John are trying to learn Julia's panties' color, Monica comes to the office and talks to Julia.

Monica then asks Julia out on a date.

The next day, Monica comes to the office to realize Julia isn't there. Monica remembers about her date and goes to the 'Julia's house' location, near the slums.

Monica enters the cafe and spends time with Julia.

An option to kiss Julia in the morning and in the evening will unlock.

After raising the relationship level with Julia up to 4, Monica will be able to give her a massage and try to find out the color of her panties again.

After Monica gives a massage to Julia, after the morning kiss and during the day Julia will still give massages to Monica.

The second date will become available in upcoming updates.

v 11

You can now ask Julia to go on a second date with Monica. After talking to Julia and working till the evening, Monica goes to the cafe where she met Julia for the first date. Monica needs to have at least 20 dollars to go on a date. After eating in the cafe, Monica visits Julia's apartment (the house next to the cafe). After another failed attempt at seducing Julia, Monica goes to the bathroom. Look around it and return to Julia. Talk to Julia one more time.

Dick and Victoria storyline

Visit Biff in the office storyline.

The next day, Fred will call Monica and say Dick is waiting for her.

Visit Dick and talk to him and Victoria.

Now Monica must earn \$ 5000 until Friday. Go to Biff for making this amount.

v0.2

Go to Dick immediately and talk to Victoria.

If Monica was rubbed the spot, Victoria would punish her by forcing to take a photo.

Visit Dick the next day. Talk to Dick. Try to go to the street and return to Dick. Then talk to Victoria. From now, Monica must earn \$ 5000 for Victoria every week until Friday.

Monica can fail weekly earning, and she will be punished for it by Victoria.

v 0.3

After Victoria makes Monica bring money, Monica decides to ask Melanie for help.

Marcus storyline

v 0.8

If Monica decided to come to Marcus, then she falls into the police cell again. Marcus is busy and cannot talk to her. She learns about this from Bob.

Monica must wait in the cell when Marcus can talk to her. While Monica is in the cell, the prisoners are trying to force her to fulfill their obscene requirements. She has the opportunity to refuse and put them in their place.

In the cell every day, you need to pull at the bars and then go to bed.

Monica can put prisoners in their place and avoid talking to them.

After Marcus calls Monica into the interrogation room, she needs to persuade him not to send her to Farm 218. To do this, Monica will have to fulfill a small request of Marcus.

Then Marcus will meet Monica in his office.

After exiting the police, Monica leaves a butt plug near the bed.

Falling Path

If Monica wants to eat and don't have money, then she will be offered to deliver flyers to people. Monica must deliver all the flyers to earn full kebab. If Monica can't do it, she will receive only half of kebab and upset about this.

Deliver the flyers until the charity evening event in the Office storyline.

After the charity evening quest will be completed and Monica will have to make money for Victoria shopping, Monica will be offended by the yellow guy on the street and rescued from it. Monica will wish to say thank you to her rescuer, but the savior will want something more interesting from Monica.

If Monica agreed, then she must find a quiet place to do she was asked. The place is a blind alley with a pole between the hostel and the dirty street.

Return to the rescuer and talk to him.

From now the falling path started, and Monica can earn money and corruption by showing something to the people (starting of prostitution). For now, only in the clothes. Monica is not ready for more yet.

v 0.3

If Monica meets the customer, not the first time, she can agree to dance at the pole (in the clothes). In front of different people, Monica dances in different poses.

After the start of the "falling path", Monica will find the "Shiny Hole" pub next to the hostel. There, Monica can get a decent job as a dishwasher.

If you click on Joe or Ashley while washing the dishes, then the selected character will molest Monica.

In the pub, Monica can choose a different name for herself (she doesn't want to be recognized).

There is a striptease in the evenings. Currently, two girls working alternately.

v 0.4

One of the "customers" on the Poor Street will ask Monica to flash her boobs for 50\$.

Monica can agree (100 corruption required and 20 customers need to be served to get the scene).

Further, the citizen will agree to see Monica's boobs, not every time.

Read the dialogs attentively.

v 0.6
Monica tries to earn 50\$ again by showing her boobs to the same customer.

But the customer refuses or gives her 1\$. If he refuses Monica will get an ability to show boobs to other clients.

Each client has 3 scenes and 2 of them are repeatable.

v 0.7
Monica can dance topless in slums (3 variants with each client).

After starting the office work, Monica can go to slums for earning extra 50\$ with the help of her secretary. Monica can ask her secretary to show boobs, and citizen can also touch them. To start the quest, Monica needs to talk with the secretary in the office. (Extra version)

Monica can start a waitress career in the Shiny Hole. Relationship with Joe or Ashley needed. In order to increase it, Monica needs to wash the dishes and allow Joe or Ashley to touch her.

It's better to work in the evening (more visitors).

After finishing her shift, she needs to give all the tips she earn to Ashley. If Monica doesn't give the tips, Ashley will prohibit her from working.

She can come back to work. She just needs to give Ashley 500\$ or "Ask to apologize" from Ashley or Joe (7 scenes total).

v 0.9
If Monica leaves the pub after working as a waitress without giving her tips to Ashley, the next time she visits the pub, Ashley will demand that Monica either give her \$ 500 or work off the money by dancing on stage. There is an opportunity to refuse a Striptease, having paid money or simply to leave. If Monica simply leaves without giving the money or agreeing to a Striptease, the menu will reopen on her next visit to the pub.

If Monica agrees to dance on stage, then she first needs to go to the dressing room, where she will meet one of the strippers. After talking to her, Monica goes back to the bar and talk to Joe. On this day Monica will not be able to dance and Joe tells her to come to the pub the next day.

The next day in the pub, first you need to talk to Ashley, and then go to the dressing room. In the dressing room, Monica meets the second stripper, she gives her clothes to perform on stage and Monica can go dancing.

Monica can change clothes in the dressing room by clicking clothes hanger on the right.

Before entering the stage, a menu for selecting music for the dancing is available.

At first, Monica can't dance Topless on stage. She needs at least 4 times to go to the stage in panties and a vest, after which dancing in panties will be available.

During the dance, you can choose the poses for the dance (arrows on the right on the screen).

If you press the same arrows in a row, or if the same arrow was pressed last time with the same movement, the crowd in the pub are outraged. In this case, the level of excitement of the audience falls (the bar on the left on the screen) and the tips decreases. The maximum tips you can earn if you press each time a different arrow, without repeating.

Different movements are evaluated by the audience in different ways.

v 10
After Joe tells Monica that she became popular and offers her to do private dances for clients, Molly will get really mad at her.

There will be an altercation between Monica and Molly the next time Monica enters the dressing room.

On the next day, Monica talks to Claire and decides whether to tell her the truth about herself or lie. In any event, Monica tells Claire her real name.

The day after that, Monica has another fight with Molly, and after the performances are finished, the tips disappear from Molly's tip box.

Molly accuses Monica of theft and Ashley takes Molly's side.

Ashley tells Monica that she needs to find a way to make up with Molly or she won't be earning anything for her

dances. Making up with Molly will be present in upcoming updates.

For now, Monica talks to Claire and she decides to help Monica. Claire makes a deal with Ashley, so she would forgive Monica if Claire and Monica dance together.

From this moment on, Monica can dance together with Claire once a week.

For that, you need to talk to her and click on Claire once more when she sees Monica off to the stage.

Monica can also mess up Molly's photo with lipstick (you need to click on her photo in the dressing room).

In the extra version, Molly will take her revenge by cutting Monica's panties so they would fall off during her performance.

v 11

Shiny Hole

After Monica settles a conflict with Molly and Ashley lets her make money, dancing on stage, again, Monica gains the opportunity to "exit the bar without giving away the tips" (450 corruption required). If Monica does that, the next time she visits the pub, Ashley won't say anything about the tips and Monica will be able to work in peace. Right after Monica's performance ends, Ashley will come to the dressing room and will coerce Monica into doing a private dance. If Monica refuses, she will be fired. To start the private dance, click on the dressing room's exit. The dance will happen in the backroom in Ashley's presence ;) After the private dance, Ashley will tell Monica to make up with Molly.

Escort Service

v 10

After the presentation in the office, Monica goes to the Le Grand restaurant.

Philip comes up to her and makes her an offer.

If Monica refuses, the quest can be restarted by clicking on Philip in the hotel's reception area.

After the bathroom scene, Philip gives Monica a business card with an address and offers her to work as a weekend whore.

A new location will unlock on the map (Philip's house), which Monica can visit on Saturday nights. A sequence of 2 scenes with Philip will unlock.

If Monica visits the hotel again, after meeting Philip there, a hotel employee will come up to her and make her an offer.

If Monica refuses, the quest can be restarted by clicking on the hotel employee in the hotel's reception area.

After the service hallway scene, Monica will be exposed by the administrator and thrown out of the hotel.

From that moment on, Monica will be forbidden from entering the hotel.

To get inside again, Monica will have to agree to the administrator's demands and complete a casting process in front of other escort girls.

From that moment, Monica starts working in the VIP Escort Service.

New events will follow in the upcoming update.

v 11

Phillip

During the next visit to Phillip's place on Saturday evening, if Whore no.1 is present there, she will offer Monica to help her please Phillip for 50 dollars. Monica can agree to this and make some money for doing double fellatio for Phillip. (520 corruption required). This scene can be repeated.

Hotel

After Monica passes the casting from escort girls, she can come to the hotel Le Grande on the next day, to start working. Monica can still go into the restaurant just to eat, but working there becomes an option. There will be a menu at the reception desk. If you choose "Work in escort", Monica will change clothes. Then she will need to go to the restaurant and take a seat at one of the tables. Click on a table and a menu will appear, then decide what to do next: Monica can just wait for a client (she won't earn anything that way), or, if you choose the "meeting with the client" option, she will go and service a client (there are two available

scenarios at the moment: the first one is a scene with a client in the hotel room, the other, which unlocks after the first one, is an away call by the client.)

For the first scenario, you need to talk to the client at the table, then Monica will go to the reception desk and talk to the administrator, and after that Monica needs to change clothes (click on the door behind the administrator.) Then Monica will be able to go to the client that awaits her at the elevator. After working in the hotel room, Monica ends up at the reception desk, where she needs to hand over 50 percent of her earnings to the administrator. Click on the administrator to do that.

In the second scene - a waitress will tell Monica that the administrator is calling for her. Monica will need to go to the reception desk, but the administrator won't be there. Click on the door behind the reception desk. Talk between the administrator and the client. During the away scene, Monica will have an option to walk away, ending the scene, or agree to the client's terms (450, 470 and 490 corruption needed).

Revenge Path
Optional Quest!

v 0.9

This quest begins under meeting next conditions:

if Monica visited Marcus in the police and got the butt plug from him;
if Monica visited Melanie's home and not escaped until the scene "awarding gift" from Victoria;
if during the latest visit in college Monica not refused the teacher, but agreed to fulfill his request;
Monica must visit her basement bedroom by day in the maid outfit;
It begins with the moment Bardie comes to Monica's bedroom in the basement and makes another demand. During the conversation, he accidentally kicks the butt plug, which is hidden under Monica's bed.

After leaving Bardie, Monica needs to find the key to the bedside table to hide her anal plug.

Click on the plug to start the quest.

The key is on the floor in the Laundry room near the washing machine. Click on all boxes around.

After finding the key, Monica goes back to her bedroom and opens the locker...

Don't forget to do save before you pick up what Monica will find there ;)

v 11

After getting the waitress job, Monica thinks of renting an apartment upon exiting the pub. Monica can go to the shawarma seller and discuss it with him. You need to visit him during the day, at night Monica will refuse to talk to him. Agree to rent an apartment from Jack for 50 bucks and go to check them out. If Monica has enough money, she can rent the apartment (the rent will go up to 300 dollars.)

Monica can now sleep in her apartment, as well as eating for free (go to the kitchen), take showers and go to the toilet (bathroom). All of Monica's clothes will be stored in the wardrobe. If you pick on of the outfits, Monica will end up at the house entrance dressed up in it.

Jack will come every Saturday to collect rent. If Monica fails to pay, Jack will throw her out and change the locks. You will be able to rent the apartment again as soon as Monica gains enough money to do that. She will need to talk to Jack again.

When Jack comes to collect the money, Monica can get a 10 percent discount, if she agrees to service him (available in the extra version of the game).
