

Faith On Trial

Pastor Mark Wilks, 1 Peter 3:13-17

- **A passion for goodness.**
 - Are you zealous for doing good?
 - Don't bring trouble on yourself with bad choices.

- Perseverance under pressure.
 - Peter is indicating that suffering is a real possibility.
 - Being frightened here has the idea of up and down.

- **The power of a clear focus.**
 - There is a huge difference between believing in God and having a LORD.
 - When Jesus is lord he has absolute authority.

- Prepare for the witness stand.
 - Have your answers ready.
 - Your personal answers are best.
 - Remember attitude counts too.

Application:

- This week find your passion for kindness.
- Look at every choice as would my Lord want me to.
- Write out your answers for why you believe.
